## EQUIPMENT • PARTS • SERVICE • ENGINEERING

### Pumping Equipment

Electric, Engine Driven and Air Operated • Centrifugal & Positive Displacement • Vertical Horizontal • ANSI • API • AOD • Slurry • Submersible • Sump • Self-Priming Venturi • Vacuum • Vertical Turbine • Hot Oil • Metering • Gear • Fire • Trash Magnetic Drive • Seal-less • High Pressure • Process • Chemical • Parts • Packages Fire Pump Houses • Lobe • Peristaltic • Pitot Tube

### Mechanical Seals

AES Component and Cartridge Seals • DELTA Cartridge Mechanical Seals, Inc • Eagle Burgmann John Crane

### Motors & Drives

AC and DC Motors • Variable Frequency Drives • Industrial Duty • Heavy Duty • NEMA 1, 4X, or 12 • 1/8 to 500 HP • Bypass Units • Custom Programming • Building Automation Interface Options include Modbus, DeviceNet, Metasys N2, APOGEE FLN and others Soft Starters

### Process Equipment

Mass Transfer Equipment • Column Internals • Packing and Trays • Steam Jet Vacuum Systems • Heaters • Eductors • Direct Fired Heaters • Furnaces • Hot Oil Filtration Systems Heat Recovery Units • Dry Disconnect Hose Couplings • Hose Reels • Supply Reels Air & Gas Cooling • Drying Systems • Refrigerated, Regenerative & Deliquescent Air Dryers Portable Breathing Air Purifiers • Continuous Duty Air Purifiers High Efficiency Air Purifiers Carbon Monoxide (CO) Monitors • Quiet Module Cooling Towers High Efficiency Cycling Chillers Closed-loop Clean Water Cooling System • Compressed Natural Gas Dryers • Mixers & Agitators for Liquids, Solids, & Gasses • Dynamic and Static Mixing • Heat Exchangers • Tanks Portable, System, and RBU Fans

### Rotating Equipment Accessories

Laser Measurement & Alignment Systems • Shaft Alignment • Sheave/Pulley Alignment • Geometrical Measurement • Shims • Calibration • Service • Vibration Analyzers • Thermal Imaging Cameras • RMS: Reliability Management Services

### Pollution Control & Water Treatment

Fume & Dust Extractors • Air Filtration Systems (Portable and Fixed) • Welding Ventilation High Vacuum Systems • Quick Connect Duct Work • Scrubbers: Packed Columns and Venturi Thermal Oxidizers • Flameless Thermal Oxidizers • Steam Deaerators • Vacuum Deaerators Condensate Return System • Water Filters, Softeners, Demineralizers, and Reverse Osmosis Steam Specialties Accessories • Industrial Waste Water Treatment • Disinfection • UV On-site Hypochlorite Generation

### Parts & Accessories

We stock repair parts for ANSI and non-ANSI pumps • Air Filters • Regulators • Oil Sight Glass • Flexible Spacer Couplings • Gauges • Lubricators • Bearings • Labyrinth Seals Wahl Thermo Sensors

### Additional Products & Services

Goulds • Ingersoll-Rand • Iwaki • Viking  
Repairs • Service • Consulting • Training • Reliability Management Services
